Conference Summary

The 8th Edition of the Offshore Jack-Up Middle East (OJME) 2020 Conference was conducted on 7th & 8th October, 2020. The conference was hosted virtually amidst the COVID 19 pandemic situation. OJME 2020 witnessed a participation of 347 delegates representing 156 companies.

The Inaugural Session was commenced and moderated by MP Bijali, Regional Offshore Class Manager, Region South East Europe, Africa, Middle East & India - Maritime, DNV GL. The speakers for the session: Geir Fuglerud – Director Offshore Classification, DNV GL; Rahul Mehrotra, Director Marketing, Shelf Drilling; Peter Cunnion, SVP and Regional Manager- Middle East and Asia Pacific, Northern Offshore Ltd; Julian Panter, MA MCIPD, Vice President, Business Development, International Maritime Industries (IMI); elaborated on the advantages and initiatives of digitalisation to maintain the continuity of business operations during these unprecedented times.

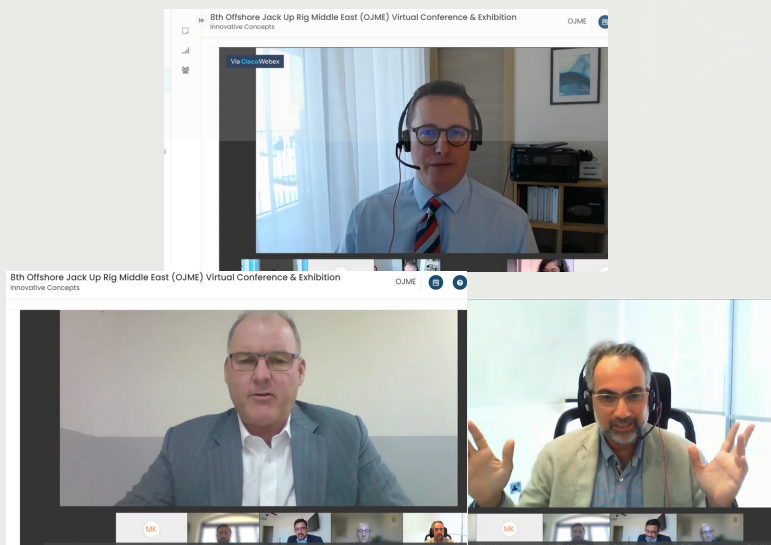

The Panel Discussion on Day 2 of the conference was moderated by Deepti Thakre, Global Compliance Director, AllRig who was joined by Dr. Mohamed Farouk – CEO, ADES; Narish Nathan, MD, Eversendai Offshore; Chris Greenwood, Director of Regional Business Development, Middle East & Africa, ABS; Ian Edwards, Area manager, DNVGL -Middle East & Africa; Vivek Seth, Sr. VP, Marine Services, ADNOC Logistics & Services. The speakers shared valuable insights focusing on the theme:

Navigating Covid 19 - Managing risk & Business Continuity.

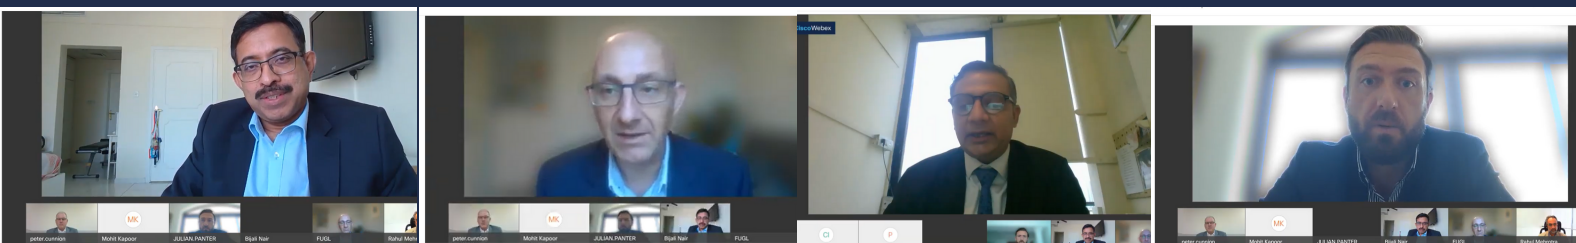

During the two-day event held virtually, 32 speakers shared technical presentations on varied topics while bringing to light the theme of the conference: **Building Capabilities by Leveraging Technologies.**

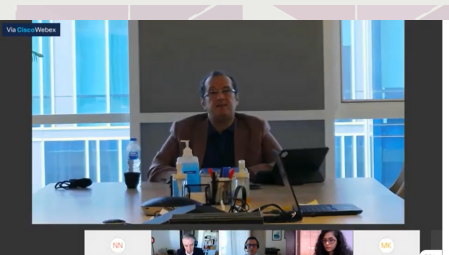

The conference has provided a vital platform for knowledge sharing by enhancing cross-sectoral communication and collaboration among Jack-Up Rig and Lift boat experts all over the world. Even though, the conference was conducted virtually, the delegates were given the opportunity to engage in conversations with the various speakers thereby enabling networking and gaining of new knowledge and facilitating the understanding of various technical aspects of business and operations.

Offshore Jack-Up Middle East (OJME) 2020 concluded on a positive note to accelerate the adoption of newer digital technologies to manage and mitigate risk and ensure business continuity.

Feedbacks

Well organized conference. Both presenting and looking at presentations was easy.

Frederik- GustoMSC

Good platform to share information.

Shubham Borkar, Structural Engineer, Aryatech marine and offshore services

A big Kudos to Mohit Kapoor and his team for hosting one of a kind virtual conference Inspite of a few technical glitches which were handled very well attending the conference was an absolute pleasure. Highly informative , I wish the OJME team many more successes in the years to come .

Capt Abhay Nimbalkar, Marine Specialist, ADNOC Offshore

Very well organised event with esteemed speakers and useful information shared. Panel moderation and questions was professional and relevant to the challenges the industry is currently facing.
